

DID UP A FIREMAN

Captain Van Steinburg's House
Entered by Burglars.

JEWELRY AND MONEY STOLEN

Kentner Was Gained by Means of a
Key—The Police Have No Clue
to the Robbers.

Burglars entered the house of Frank Van Steinburg, No. 256 Quarry street, last night and stole a watch, a ring and \$30 in money. Van Steinburg is captain of No. 3 engine company and his house is located only a short distance from the engine house. He and his wife went out to see some friends about 7 o'clock last evening. They returned at 9 o'clock and found that somebody had entered the house during their absence. The thieves had used a key, as the doors were locked when they left and when they returned. The boys at the engine house saw nobody near the house, and the detectives have no clue to the burglars. Whoever entered the house must have been familiar with it, or else have carried a skeleton key. It is possible that the perpetrators are hangers-on in the wake of City Bros. show.

City News in Brief

The June or strawberry meeting of the Grand River horticultural society will be held tomorrow afternoon at Edmund Manley's in Walker township. The subject for discussion is "Preparing and eating our products, showing them at the fairs, remembering our friends."

The residence of Mrs. M. Reyer, at No. 218 Turner street, was damaged about \$100 by the fire yesterday afternoon, caused by a defective fuse. An alarm was turned in from box No. 612 at 1:40 p. m. The building and contents were fully insured.

The manager of the show at Reed's lake telephoned the sheriff yesterday afternoon that one of his show employees had stolen two coats from members of the band and left the vicinity. The thief could not be found.

S. S. Bailey has three acres of strawberries which he will show up this fall. He will turn all the newspapers who will come to his place Wednesday home in the patch and allow them to eat all they wish.

Lodge No. 123, Saxonian league, will give a social party to the male members of the order tomorrow night, in Protective Brotherhood hall, at No. 6 Pearl street.

The Ottawa Beach hotel will be opened next Saturday. J. E. Rice has his hotel force there now, but no regular boarders will be accommodated this week.

An examination of applicants for positions in the city schools will be held in the high school building next Thursday, Friday and Saturday.

Miss Richmond, teacher in the North Park school, and her pupils, distributed fifty bouquets to veterans in the Soldiers' Home hospital Friday.

The Rev. Dr. John L. Jackson of the Fountain street Baptist church preached to the inmates of the county poor house yesterday afternoon.

De Griewold's horse ran away Saturday but did no damage.

Commandery Installation.

At the public installation, which occurred in the assembly of Golden Rule Commandery No. 4, K. T., the following officers were installed and program carried out. Opened with singing by the following ladies: Mrs. Gertrude Thompson, Miss Whittell, Miss Bertha Kelly, Miss Emma Rosen, Miss Theodora Kana, president at the organ. Song, "The Lily of the Valley." Prayer, Rev. W. S. Kane; song, "The Calling of the Disciples." While the Days are Going By. The Past E. C. J. H. Craig installed John A. Bell, who then installed the balance of the officers as follows: Albert Crockett, generalissimo; William Hall, captain general; Thomas F. Post, grand scribe; James McConnel, senior warden; George Davis, junior warden; E. P. Prince, treasurer; D. A. Moore, recorder; David Williams, second warden; C. K. Hill, standard bearer; D. T. Redell, warden; Henderson Nelson, sentinel; three guards, J. C. Ford, Daniel Johnson, J. C. Craig, Song, "Wonderful Works of Life." Benediction by the Rev. W. S. Kane. Tens and eate were served and all had a pleasant time.

Sawdust on Fire.

At 2:30 o'clock Sunday afternoon a fire broke out in the sawdust near Long's lumber yard, near the D. & M. railroad bridge, which would have proved destructive had it not been for the timely arrival of hose cart No. 9, which arrived materially in subduing and containing the flames until all danger was over. It was not definitely ascertained how the sawdust became ignited, but was supposed to be the work of young boys who were supplied with matches with which they were lighting cigarettes and old strings of cigars. The damage was trifling. No general alarm was given.

One Saloon Open at the Lake.

All the saloons and beer gardens at Reed's lake were closed yesterday, except Brown & McCarthy's Leland park resort. They were open all day and served the defective back to the thirsty

multitude. Henry Huber gave notice Saturday that he would divorce the first and then his last wife, which is the latest record of that character at the lake. Johnson has kept closed for the past two Sundays. No liquid domination could be proved at Charles Godfrey's place. It is believed that the customary Monday morning smash will be lodged against Brown & McCarthy today.

FUNERAL OF JOHN A. B. MEAD.

His Remains Laid to Rest in the Valley City Cemetery.

All that is earthly of John A. B. Mead was laid to rest in the Valley City cemetery yesterday afternoon. The funeral was held from the family residence at 3 o'clock, and the home was thronged with those who came to pay their last tribute of respect to him who, in life, had been their friend and comrade. Col. R. V. Fox, in behalf of the family, received the friends at the door of the home. The remains, encased in a pearl gray casket, lay in the spacious drawing room, the burial case being buried in a vault of flowers from loving friends and relatives. The simple but impressive committal service was conducted by the Rev. Dr. Campbell Fair of St. Mark's, assisted by the Rev. Dr. Charles Fluhrer of All Saints' universalist church. The beautiful burial service of the Episcopal service was read, and the blessing and forgiveness was invoked of him who is the resurrection and the life. A quartet composed of Francis Campbell, Mr. Schmitt, Mrs. Yale and Mrs. Lintley sang "Nearer My God to Thee," "Amen in Jesus," and "Blessed are the Dead." The services were Harry Rogers of Orchard and George Eddy of Denver. Ed M. Barnard, Theodore Rathbun, John Seymour, E. Crofton Fox and Fred B. Aldrich of Grand Rapids, and Howard Hull of Chicago. The honorary bearers were: H. N. Moore, Charles Watkins, I. C. Smith, E. S. Pierce, Noyes L. Avery, George G. Briggs, A. J. Bowne and M. B. Hall of Chicago.

The services at the cemetery were simple, and the remains were placed in the public vault, to remain until the Watson mausoleum is completed.

WILL IT EVER BE?

Fair Association and Horsemen Want Better Car Service.

There are probably very few persons in Grand Rapids who have not often wished that the electric car service did not extend to North park. To those who wish to visit that pretty resort, the grounds on the opposite side of the river or the races at Comstock park, the transfer at Sweet street with its long delays and extra cost of transportation is very unsatisfactory. Negotiations have been going on for two years for the purchase of the North Park dummy line by the Consolidated Street Railway company and converting it into an electrical road. C. C. Comstock values his franchise too high, for as yet there has been no bargain concluded.

Z. V. Cheney, speaking of the matter, says he believes it would pay the Western Michigan Fair association and the Horsemen's association to contribute toward the purchase of the road. He believes it would make a difference of \$3,000 in the receipts of the fair association, and more than that with the receipts of the Horsemen's association. The fact that a person could step on a car in any part of the town and go to North park for 5 cents would induce thousands to go who would not now undertake it because they have to pay 5 cents to get to the depot and 10 cents to get to North park by rail. One has but to look at the development of the territory along Wealthy avenue since the electric line was extended to the lake to see what a similar line to North park would do for the northern part of the city.

Supervisors' Special Meeting.

The board of supervisors will meet in special session at 2 p. m. tomorrow. The meeting has been called to consider plans and specifications for remodeling the county jail and to authorize the special building committee, of which Supervisor Stiles is chairman, to proceed with the work in accordance with the plans which shall be adopted. In the opinion of Supervisor Loomis this will be the only business brought before the board, and the session will be necessarily short.

Mr. Greenley's Narrow Escape.

H. A. Greenley narrowly escaped severe, if not fatal injuries yesterday, by being thrown from his carriage. The horse became frightened at a street sprinkler and ran away. At the corner by the Gilbert block Mr. Greenley was thrown out and barely missed going into the basement. A few scratches were the only injuries he sustained.

Death of Summer Caret.

OSummer Carey of No. 156 Ninth avenue died yesterday of diabetes after a long illness. Mr. Carey was 55 years old and had been employed at the Grand Rapids & Indiana roundhouse for several years. He leaves a wife and three children. The remains will be taken to Middleville tomorrow for burial.

BURNED IN LAKE MICHIGAN.

The Propeller Skater is Probably a Total Loss.

MANISTEE, June 19.—The propeller Skater, which had been lying near all winter, started for Petoskey at 1 o'clock this morning. When about thirty miles north of Manistee and five miles west of the Skater's pier, smoke was discovered issuing from the crew's quarters forward. The boat was at once put out on the pump started. Soon the entire vessel was enveloped in the flames and the crew had to take to the lifeboat. The propeller Hilton, of Milwaukee, came to their rescue, and also pumped water upon the Skater until the men were enabled to get on to her with buckets and extinguish the flames. The Hilton reached here at 9 o'clock this morning with the hull of the Skater, which, upon examination, was found to be a total

loss. The vessel was owned by Hayward Bros. of this city, and was valued at \$25,000. She had \$10,000 fire insurance. On account of a minor's superintendence the crew refused to take the vessel out for her summer's work yesterday. It being Friday, and waited until 1 o'clock this morning before leaving port.

FOUND IN THE WATER.

The Drowned Body of an Unknown Man Discovered at Manistee.

Manistee, Mich., June 19.—This afternoon while two boys were hunting turtles on the beach of the lake, they came upon the body of a man lying face downward at the edge of the water near Raisin Point. Commander Nelson held an inquest and could find nothing that would indicate foul play. The body was in a bad state of decomposition, and had probably laid in the water for six weeks. It was a man nearly six feet tall, weighing probably 175 pounds, and about 40 years old. The hair on the face and hands was nearly all off, and only a little tuft of black hair remained on the back of his head. Nothing was found on the man to lead to his identity. A lead pencil and a picture of a woman were the only things found in his pockets. The remains were buried on the beach.

Joint Teachers' Meeting.

HOLLAND, Mich., June 19.—A joint teachers' meeting of Ottawa and Allegan counties was held at Macatawa park yesterday, with over 100 teachers in attendance. County Commissioner of Schools of Ottawa County, Miss Cora Goodenow read an interesting paper on "The Qualifications of Teachers." Prof. P. A. Lott of Allegan on "The Duties of Teachers," and Superintendent McLean of Holland on "The Conduct of Teachers Toward the Scholars."

Fire at Paw Paw.

KALAMAZOO, Mich., June 19.—Paw Paw village was threatened with entire destruction by fire tonight, but the new fire engine saved the town. It started at 10 o'clock in Dr. Hendrick's barn. His house and barn, also William Mosher's and Mr. Winslow's houses were burned. Four horses and two cows were cremated. Loss \$10,000.

Will Have No Receiver.

LANSING, June 19.—Judge Person yesterday adjourned the hearing on the petition of Banking Commissioner Sherwood for the appointment of a receiver for the Ingham County Savings bank until July 10. There is practically no doubt that a receiver will not be appointed and that the bank will resume business by that time.
